

Preparedness Self to Readiness

For each statement below, **circle the number** that best represents how well-prepared you feel in that area:

- **1-6:** You may have gaps in your plan and should review your strategy.
- **8-10:** You are on track, but ensure you maintain a proactive approach.
- **7** is intentionally excluded—don't settle for a mediocre answer!

Strategic Income Plan

I have a clear, structured strategy to generate income from my portfolio that ensures I will never run out of money.
